

Appln. No. 09/931,336
Amendment dated June 10, 2005
Reply to Office Action mailed August 11, 2004

REMARKS

Reconsideration is respectfully requested.

Claims 1 through 10 and 26 through 33 remain in this application. Claims 11 through 25 and 34 have been cancelled. No claims have been withdrawn or added.

Paragraph 2 of the Office Action

Claims 1 through 10 and 26 through 32 have been rejected under 35 U.S.C. §112 (second paragraph) as being indefinite.

The above amendments to the claims are believed to clarify the requirements of the rejected claims, especially the particular points identified in the Office Action. More particularly, the removal of "forward" from the claims, and the reference to the position of the second panel with respect to the first panel and the base panel is submitted to remove the issue of "positioned forward" raised in the Office Action. Claims 31 and 32 have also been amended to remove the reference to "forward" and "rearward".

Withdrawal of the §112 rejection of claims 1 through 10 and 26 through 32 is therefore respectfully requested.
